There is a person monitoring my social media, and trying to twist everything that I say into something to have me arrested.

I am NOT going to live my life like that and I’m not going to be bullied. Leave me alone. I’m not going to say it again. 🤬 1/2

Well good fucking morning y'all. I just have to add that I understand so deeply why so many victims of abuse do not come out publicly against their abuser or against their stalker because it is enough to make you wantto pull your hair out... 2/2

Are you serious? Are they ?

Forgive me, but isn’t it possible to just block them on everything? People like that don’t even deserve access.

kiandria 18h · Author

No. They are monitoring me from other accounts, even though I have them blocked on everything.

They better stop because all you have to do is give us their username and the rest is history! We will learn everything about them and their life will change in the negative way they are trying to change yours. 🤝🥰🔥

I'mma say this with my whole fucking chest. I'm a white woman with bipolar disorder and an insanity defense on standby and that's a privilege I will use to put motherfuckers like this in their place. Period.

To whoever it is, swatting is a felony. Attempting to weaponize the police against someone is a serious crime. Stop now, before you find yourself over the neck in trouble.

If you end up needing an order of protection: courts like screenshots best when you can see the time stamp on every single message (e.g., on iMessage you'd need to drag and hold all the messages to the left prior to taking the screenshot). Do not be afraid to gather and keep data early

natural_pearl 6h

That's a stalker have them arrested for intimidation and threats.

healing_thru_laughter 15h

Whenever we gather.... They are close by

casey_girl 20h

For the YT racist Trumpers out there: LEAVE HER TF ALONE. Mind ya own business. She ain't effecting you, SO LEAVE HER BE OR GTFO! There is nothing more sadder than y'all harassing a girl like Kiandria who is doing what she wants here. You aren't her mom and you aren't her daddy. So LEAVE. HER. BE. I said what I said and I'm standing by it. Leave Kiandria alone or gtfo.

junekeenenh 21h

They need something better to do than harass Black people. Maybe take up self flagellation or count blades of grass or something else they deserve. I hope the FO part is fitting 🤡
